FURTHER PAPERS.

Department.	Number.	Series.	Date.

22nd January, 1952.

From:-

The President,
The Pallikere Village Welfare Committee,
Pallikere. (South Kanara District)

To,
The Secretary,
The Development Department,
Government of Madras,
Secretariat,
Fort St. George,
MADRAS.

8501 P/180
25-1-52

Dear Sir,

1/ I wish to inform you on behalf of our committee that a resolution was passed in our recent meeting to move the Development department of the Government, to take steps in order to bridge the river at Bekal in Kasaragod Taluk

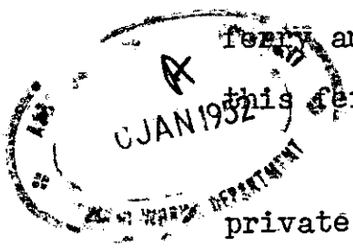
2/ The village of Pallikere is divided by the river 'Bekal'. The coastal road leading to Hosdurg (Kanhangad) is not bridged at this point and therefore three important sections in the village namely Kotikulam, Bekal on the north of the river and Pallikere proper lying on the south of the river are separated. At present there is a ferry crossing in the coastal road at Ferry No.148, Highways, South Kanara.

3/ There are about 2,000 fishermen living with their families in Bekal and Kotikulam who have to cross the river every day for reaching the fishing shore on the side of the Bekal Fort viz: at Pallikere. They have to carry with them their fishing tackles, nets oars etc. everyday. During the monsoon months crossing of this ferry has often proved deceptive and dangerous and many lives are lost invariably during the monsoon season in attempting to cross the ferry.

4/ Further the Fish curing yard is at Bekal and the fisherman to the south of the river have to carry their fish loads across the ferry. The newly sanctioned Fisheries High School and the existing Higher Elementary School are situated on the northern side of the

P.T.O

2



ferry and a large number of school going children have to cross this ferry every-day.

The only centre for medical aid in the village is a private Hospital, and the patients of the other side of the river are not able to have access even to the Doctor in emergencies, due to want of proper facility for crossing the river.

6819

Apart from these, the famous Trikkannad and Palakunnil Temples, the weekly shandys of the village, the communal radio set and important shopping centres for the village are all located on one side of the river. The communal and Commercial aspect of the village life is being very much hampered by the dangers and delays caused by the ferry.

Therefore, we request the Government to 'bridge' this ferry at a very early date. The river itself being very small and considering that the coastal road is an important Highway road connecting the various centres of Malabar and South Kanara, we earnestly hope the Government will give high priority for the bridge.

Yours faithfully,

The President

The Pallikere Village Welfare Committee,

Pallikere,

South Kanara Dist.

Request for construction of a bridge to the ferry at Bekal at Kasargod Taluk, S. Kanara Dist.

Letter No.6019K3/52-HR dated 30.3.53.

Sir,

Sub: Communications -South Kanara ~~Division~~ District - Constructing a bridge at Bekal on coastal road - report -

Ref: Government Endorsement No.6819-A/52-1 dated 4.2.52.

31526

Encl

With reference to the Memo cited above, I have to state that the work of constructing a bridge at Bekal lies at Mile 37/4 of Coastal road, Government MDR 3. The work under reference comes within the scope of Post War Road Development scheme but is not included in the re-cast five year programme of Post War Road Development. It is included in the IV quinquenium of the Post War Road Development Programme. The cost of this bridge is estimated to be approximately Rs.1.74 lakhs.

Subject:- Communications - Bridges - South Kanara District - Constructing bridge at Bekal on Coastal road - Request - Negatived

Ref:- From the President, Pallikere Village Welfare Committee, letter dated 22-1-52
From the C.E(H) letter No. 6019-K3/52-HR dated 30-3-53

The Pallikere Village Welfare Committee has requested the Government to construct a bridge across the Bekal river on the Coastal road leading to Hosdrug. The C.E(H) has reported that the estimated cost of this bridge is about Rs 1.74 lakhs and that the

5

work of constructing the bridge is assigned a very low priority in the Postwar Road Development Programme. In view of this and of the financial stringency the Government regret their inability to take up the bridge work now.
